## Down to Earth

A little imperfect, but not lacking in elegance, these tabletop collections are subtle, sophisticated and suit the needs of today's younger generation, which is looking for practical, yet stylish dinnerware to take them from every day to entertaining.

—B.N.K.

Eclipse Light collection is made of food-safe aluminum and hand-painted with color enamel that is mixed with Mother of Pearl. Julia Knight, 612.338.9100, [juliaknightcollection.com](http://juliaknightcollection.com)
